

Sunday night
9: P.M.

Dear Vickie and Jim,

We arrived home from Dusty about an hour ago and everything is put away so I will write to you now.

We had a perfect weekend.

Mike's folks had plenty of room and insisted we stay there so we did. That part of the country is so different and we rode around Saturday and the time went so fast. We had lots of delicious food and good company. Beth and Ann and two children were there also. Mary and Mike have always told me about how terrible the children are but if they can act terrible they certainly didn't show any signs of it this weekend. They were just darling. On the way home tonight we stopped in Ellensburg and picked up Charlie

and his boy friend and brought them to Bensons.

It was stormy coming over the pass and Mary and I got a little nervous but Mike is a good driver and we didn't need chains, altho lots of cars had them on.

I had a letter from New's lawyer telling me she had left me 250.00 dollars. That was nice of her. I will buy some spring clothes with it for our trip back to Virginia.

Senator Dirkin gave Mary a two hundred dollar gift certificate from S. Magnin. She can't wait to go shopping. She is so glad it wasn't in cash as then she said it would be so easy to pay bills and buy groceries with it.

Vickie, Mary just told me I had been spelling spear wrong incorrectly so now I know better. I had never noticed that

Your home had an e on it.

Bernice and her children plus
Morriss girl friend & Charlie's boy-
friend and Louie & Dick and children
are all going up to the cabin this
week for a couple of days. Gary and
Patti had a party up there this
week end. Gary and Patti are not
getting along very well. Gary can't
settle down and goes out every night
and stays out all night and many
times gets home at six in the
morning. Gary is a wonderful boy
and I hope he won't lose a
wonderful wife and a darling
little boy.

Dad had some Zerk copies
made of your diploma, Jim
so I will send you one.

Love,
Mom.
